*Trinity Episcopal
Cathedral*

*1884
Legacy Society*

The 1884 Legacy Society would like for you to know that eligible IRA owners who are required to take a minimum distribution from their IRA can make a qualified charitable distribution without having to pay taxes on the distribution!!! These distributions must be made payable directly to the qualified charity.

This is a great strategy to fulfill an annual or legacy gift to Trinity Cathedral and save on taxes. For more information, contact your financial advisor or Jeanie Toombs, Financial Administrator of Trinity Cathedral.

Thank you for your consideration!
